Q: Do I need to pay this money back?

Q: How and when will I receive the funding?

A: There are two payment options: (1) Direct Deposit/ACH, or (2) Paper Check. DHS expects for payments to be made within 30 business days of receipt of a completed application.

Electing to receive funds by check may delay payment up to an additional 30 business days due to processing and mail delivery. Applicants are recommended to deposit/cash their check immediately upon receipt. Failure to deposit and/or cash a check within 90 days will result in non-payment of funds.

Q: Why does my employer need to verify my employment?

A: The intention of this bonus is to invest in early educators by supplementing educators' compensation to support retention and recruitment in the early learning sector, as well as recognize the vital work that early educators do in supporting the state's littlest learners. Verifying employment is a key step to ensure funds are directed to staff currently in the field.

Q: What are the tax implications of these bonuses?

A: Bonuses will be subject to state and federal income tax. In January 2023, bonus recipients will receive a Form 1099-MISC from Public Consulting Group (PCG, the fiscal intermediary disbursing payments), documenting receipt of these funds as income in the calendar year 2022. Similarly, a Form 1099-MISC will be issued in January 2024 related to all funds received in the calendar year 2023. Bonus recipients are responsible for all tax implications related to receipt of funds. Please consult a tax professional or accountant for more information on how these funds may impact you.

Q: Why is the application asking me to submit my Social Security Number?

A: A Social Security Number (or Tax Identification Number) is required in the application. This information will be used by Public Consulting Group (PCG, the fiscal intermediary disbursing payments) to issue a Form 1099-MISC. This tax form will be issued to all awarded applicants in January 2023 related to funds received in 2022, (or in January 2024 for funds received in 2023), as these funds are considered income by the Internal Revenue Service.

Q: What are the attestations required by this bonus program?

A: In the bonus application, applicants are asked to attest (or agree) to several statements including: the accuracy of information provided in the application, how the information in the application may be used by DHS or PCG, and the applicant's understanding of eligibility requirements and financial implications (such as tax implications and eligibility related to income-based assistance programs as these funds are considered income). Additionally, the applicant will attest to the program's intended purpose- to encourage the retention of the child care workforce- and will attest to their intention to remain at their current employer for 3 months following the receipt of funds.

A: The bonus is meant to support early educators who worked and will continue to work at the same employer. Applicants are not eligible for a retention bonus if they have not worked at the same location during the entirety of the eligibility period for each application window (Window #3: as of June 1, 2022 to present).

Q: My child care program was closed for 2 weeks during the eligibility period to COVID-19. Does that make me ineligible for the bonus?

A: As you were still employed with the program during the temporary closure due to COVID-19, you would still be considered eligible to apply.
